Open Recalls

Recall #: 9916H | LIFTGATE STAY DAMPER CONCERN Recall Date: 2016 Sep 09

Recall Description

Insufficient corrosion protective coating was applied to the ends of the external cylinders of the rear hatch/lift gate gas stay dampers (lift supports). If water containing road salt enters, it can cause corrosion. Over time, increased corrosion may eventually cause it to break as the rear hatch or lift gate is opened.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact MAZDA or visit [Mazda's website](https://www.mazda.ca/en/owners/recalls/). (https://www.mazda.ca/en/owners/recalls/)

Recall #: 8915K | LACK OF POWER IN COLD WEATHER Recall Date: 2016 Jan 19

Recall Description

On certain subject vehicles, the powertrain control module (PCM) may wrongly detect a misfire when accelerating with high engine rpm (more than 5,500 rpm) and with wide-open throttle in cold weather conditions below 32 °F (0 °C), due to improper control logic of the PCM. Under such condition, a malfunction indicator light may flash and the PCM may fall into failsafe mode, which can restrict the throttle opening and cause a lack of power.

This recall was open as of the date/time that this report was generated. For more information, or to find out if the recall has been closed, please contact MAZDA or visit [Mazda's website](https://www.mazda.ca/en/owners/recalls/). (https://www.mazda.ca/en/owners/recalls/)

Stolen Vehicle Check

This vehicle is not actively declared stolen.

This vehicle history report is compiled from multiple data sources. It is not always possible for CARFAX Canada ULC or its source data providers to obtain complete information on any one vehicle. For example, there may be other title, brands, registrations, declarations, accident information, service records, recall information, odometer readings or other information where discrepancies that apply to this vehicle are not reflected in this report. CARFAX Canada and its source data providers receive data and information from external sources believed to be reliable, but no responsibility is assumed by CARFAX Canada, its source data providers or its agents for any errors, inaccuracies or omissions. The reports are provided strictly on an as-is where-is basis, and CARFAX Canada and its source data providers further expressly disclaim all warranties, express or implied, including any warranties of timeliness, accuracy, merchantability, merchantable quality or fitness for a particular purpose regarding this report or its contents. Neither CARFAX Canada nor any of its source data providers shall be liable for any losses, expenses or damages in connection with any report or any information contained within a report, including the accuracy thereof or any delay or failure to provide a report or any information. Other information about the vehicle that is the subject matter of this vehicle history report, including problems, may not have been reported to CARFAX Canada. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car. By obtaining, reviewing and/or using this vehicle history report, you agree to be bound by all of the terms and conditions in CARFAX Canada's Conditions of Use and any CARFAX Canada End User Licence Agreements as each may be amended from time to time by CARFAX Canada.
